
2015-2016 Charles R. Drew Charter School Engagement Opportunities

---

The East Lake Foundation is able to offer a wide range of volunteer activities. Whether you are looking for an individual, or a group team-building exercise, Drew Charter has opportunities that will accommodate various interests and schedules.

There are two different lunch and learn series opportunities that will occur twice a month from **12:00pm-12:50pm**.

- **A View from Drew**
  Drew will select 10-15 students to attend a brown bag lunch roundtable with a special guest. The students will have the opportunity to ask the guest host candid questions about college life and/or choosing a career. Special guest slots will be available on a first come, first serve basis.

- **Career Lessons for Life: Advisory Sessions That Inspire**
  This will be an opportunity for corporations to bring 3-5 volunteers to the school to present on a career development topic. Recommendations include: financial literacy, dressing in the workplace, team building, interviewing tips, or networking skills.
